

Global Partnerships/Outreach

We move people to Jesus by being generous and supporting the work of missions around the world. Our strategy is to work through existing relationships to support distinct and diverse ministries across the globe.

Connections around the world form the relational basis for worldwide evangelism, developing under resourced people groups, and meeting basic needs for the most disadvantaged.

Here are some of the people we currently partner with around the world:

- **Senyo and Augustine Cudjoe**
Senyo is a major overseas partner and friend. He is the founder of Biblical Discipleship and Growth Ministries, and pastor of Fountain of Life International. Our church is very connected to him and his ministry, and to the towns we have adopted in Ghana, Africa.
- **Troy and Jaimie Tompkins**
Serving in Ghana, Africa with Christian Health Service Corps.
- **Michael and Michaela Fournier**
Working with Ethnos360 in Senegal, Africa.
- **Brent and Darcy Larson**
Working with The JESUS Film Project, a ministry of Campus Crusade for Christ.
- **Allen and Sheree Mann**
Founders of GraceWorks Global, a mission organization dedicated to carrying out the biblical command of bringing the gospel of Jesus Christ to the world.
- **IMission**
